Email sent to teachers/staff:

Teachers/Staff,

Attached is the Final Prevent Child Abuse Utah classroom presentation schedule for Monday and Tuesday, December 17th and 18th.

Please do not remove any children from classrooms during their presentation time(s). All children will be attending unless a parent gives written notice to the principal to "opt" them out (please give any written "opt-outs" received to principal Burnside for record keeping).

Teachers -please plan to stay in your classroom with your students to help with behaviors, and also because the presenters sometimes reference you as a safe person for our students to get help from.

The presenters will be bringing a USB jump drive to place into **your laptop** to be able to use your projector and sound. If you don't have a working projector and/or sound, please let me know ASAP.

This same information has been placed on our website and will be sent home to parents/guardians.

Thanks for your help.
