**Council Members Absent:** Shawna Packer

## Agenda items

The meeting was called to order by Jamie Hunter at 3:35 p.m.

Minutes were reviewed and approved with the amendment that Mary Ann Gulden was present at the last meeting.

1. Review Community Council Rules and Procedures.

Rules and procedures were reviewed. Jamie Hunter moved to approve. Haley Binggeli seconded the motion. Vote to approve was unanimous.

2. School Plan

- A. ESL Student progress is under review and a priority. Each ESL student has been told of the importance of their WIDA tests and encouraged to do their very best. Growth in students in this category has been below expectations.
- B. Check-in/Check-out. This position is still open and we are hoping to fill it by the end of January. It will be posted through District if needed. Council agreed that we would like to continue this next year and make sure it is included in yearly budget. Currently our Budget is approximately ½ spent and on track for the year. Per our vote at the last meeting, funds have been shifted from the Software budget to accommodate the salary of the Check-in/Check-out position.

3. Safe Routes Review

Review of existing routes. Jamie Hunter moved to keep the routes that currently exist. Mary Ann Gulden seconded the motion. Vote was unanimous to keep existing routes. Note: Sidewalk and curbing on west side of Cedar Street is slated to be installed in 2021.

4. Fun Run - University of Utah Health Care has partnered with Liberty for the Fun Run. Ideas for using the funds raised include playground shades and additional trees.

Jamie Hunter moved to adjourn the meeting at 4:28. The motion was seconded by Shalice Benedum.

Community Council will reconvene on February 18, 2020 at 3:30 p.m.
