

Digital Home Learning Day
Kindergarten
Mrs. Westenskow's Class

Monday May 18, 2020,
Hello Kindergarten Families!

Most of our assignments this week will be through Seesaw. If you didn't receive your student's badge through parent square, let me know. **Have your child check their "inbox" on the right side of the screen for "notifications."** This is where they will receive feedback or assignments sent back that need to be fixed. We have been skipping the round up question because we are taking time to learn how to do things in Seesaw and I didn't want to assign too many things. We will have a question on Thursday that they can share in Friday's zoom meeting though.

Sheri Biel will be our technical support and can be contacted at sbiel@murrayschools.org with questions relating to Seesaw.

Each school day I will be available through email or text on Parent Square from 9:00 am to 2:00 pm. However, I will try to answer questions outside those times if I can.

We will be submitting completed work to my email, cgwestenskow@murrayschools.org.

Thanks for all your support and patience!

Casey Westenskow
