

Digital Home Learning Day Tues., May. 19, 2020
Kindergarten
Mrs. McIntosh's Class

Tuesday, May 19, 2020

Hello Kindergarten Families!

I hope using Seesaw is going well for all of you. Hopefully it has helped so you don't have to print or recreate on your own so many papers. Writing will still be paper pencil. Let me know of any questions or concerns you may have!

I hope your kiddo had so much fun on our zoom class round up on Friday! I loved seeing and talking to so many of the students! I hope we get to see even more of you this Friday at 10:30! The topic for this week will be share your favorite game! Tell us about it and why you like to play it!

As always, each school day I will be available through email or text on Parent Square from 9:00 am to 2:00 pm. However, I will try to answer questions outside those times if I can. Sometimes my house (and kids) gets a little crazy and it gets tricky! But I will do my best.

Please have your students log onto Seesaw for today's morning message and respond to our daily topic!

Thank you

Mrs McIntosh

Subject	Assignment Directions
ELA-Reading	1 - Read to your child for 20 min 2- Students AND parents If you did not read work on reading last week, please watch the following video first for some instructions on reading that we will do every Tuesday and Thursday.

If you already started your reading last week, skip the video and continue on from where you left off last week.

ELA-Writing

1-Sound it out. Sound out the following words and write them the best you can. Email me a picture of your work when you are done.

Name: _____

Sound it Out: Recess

Math

1 - Today we will review measurement and weight. Go to Seesaw and complete the 2 math activities.

2 - Work on Zearn for 20 minutes. You can log into Zearn through clever. <https://clever.com/in/mcsd-utah> The app box that you click on looks like this.

Science/Social Studies

1- Talk to an adult about what day of the week it is. Tell them today's date with day, month, date, and year. (Example: Today is Monday, April 6, 2020) Talk about the weather. What does it feel like outside? What does it look like outside? How does that help you decide what to wear today? What season are we in?

2- Wasn't it interesting to see how Pencils are made? One of our friends asked to learn about how money is made.

Go to the Seesaw lesson about how money is made. Watch the video and then leave me a video message about something you thought was cool or something you learned from the video.
