Hello Kindergarten Families!

Do you have a favorite stuffed animal? Maybe it is new, maybe you have had it since you were a baby. Maybe it is a lion, tiger, or bear OH MY! Whatever it is I am sure it is amazing. Have you ever thought about how that stuffed friend was made? Today we are going to learn about bears and how stuffed teddy bears are made. You can bet that your critter was made in a similar way! Have fun exploring the world of teddy bears! Don't forget to do the daily challenge at the end!

Happy Learning!
